

Group Policy

Issued by: Quality Assurance and Regulatory Affairs

Subject: Quality Policy

1. Statement of policy

Every BBI employee is committed to: -

- Passion for customers' satisfaction in everything we do
- Compliance with the Laws and Regulations pertaining to the Quality, Safety and Performance in all countries in which BBI's products and services are offered
- Continual improvement in the effectiveness of BBI's Quality Management System (QMS)

The commitments will be met through documented and reviewed Quality objectives, shared Quality culture and a rigorous commitment to performance.

2. Responsibility and Authority

- Each BBI employee is responsible for compliance to this policy
- BBI's Chief Executive Officer (CEO) has the ultimate responsibility for the application of this policy
- The overall responsibility and authority is delegated by the CEO to the Global Head of Quality Assurance and Regulatory Affairs, who serves as BBI's QMS management representative
- Leaders with executive responsibility for a business unit and managers of each location within BBI are also accountable for compliance with this policy and shall ensure that QMS management representatives for their operations have been appointed
